

Basic Outdoor Rock Climbing School

Arizona Mountaineering Club

Spring 2020

The Arizona Mountaineering Club (AMC) has been teaching basic rock climbing for over 50 years. We place maximum emphasis on safe climbing and self-rescue skills. This is a beginning climbing class for outdoor rock climbing; no previous climbing experience required. The class is appropriate for new climbers, gym climbers wishing to move to outdoor rock, and experienced individuals wishing to fill “learning gaps” and update to current best practices. We will teach you equipment care and usage, rope handling, climbing knots, belaying, rappelling, climbing techniques, and critical self-rescue skills.

The AMC has a limited selection of climbing shoes for rent on a first-come, first-served basis on the second night of class for \$10 for the duration of the 2-week school. The Arizona Hiking Shack also rents climbing shoes. We will discuss what to look for in purchasing shoes on the first night of class.

Paperwork: You will be required to read and sign an AMC Release of Liability on the first night of class. Students under 18 must have the release signed by their parent or guardian. Participants must be at least 14 years of age; students 14-15 years of age must be accompanied by a responsible adult.

Membership dues are \$40 for an individual and \$50 for a family for the calendar year. \$50 is a non-refundable deposit for the class; \$200 will be returned if you cancel. If you can find someone to take your place, the entire \$250 will be refunded. Please note that the membership fee is non-refundable.

The class is limited to 40 students. To reserve a spot, register using PayPal on the AMC website (you DON'T need to have a PayPal account) or send a check for \$250 plus membership dues as required payable to AMC Basic School. Include your clearly printed name, address and current phone number(s).
