AMC Board Minutes - 12 October 2009

Board Members Present: Grant Loper, Robert England, Bill Fallon, John Keedy, Eric Evans, Erik Filsinger

Call to Order: President Loper called the meeting to order at 7:06 p.m.

Minutes of the September 15 Board meeting were approved as published.

Treasurer's Report: Approved as submitted.

2010 Budget: President Loper will disseminate a draft 2010 Budget electronically. The goal will be to finalize at the next Board meeting for Member vote during the December Member meeting. Cautions were made to trim budget line items to essentials due to economic times and memberships.

Committee Reports:

Programs: Chair Loper discussed upcoming programs.

Mountaineering: Co-Chair Loper outlined AMC winter activities for 2010, including New Year ice climbing trip to Ouray. These activities will be communicated through standard AMC channels.

Land Advocacy: Vice Chair Keedy gave updates on the McDowells and on Queen Creek. Chair Filsinger further discussed opportunities and constraints.

T&S: There were only 3 students in this Fall's Lead School. The Board will need to discuss and address the causes and alternatives. There are 28 students signed up for Outdoor Rock School. Everyone is geared up for it. Loper and England will continue to work on an Outing Leaders Career Path and look into

additional ways to generate experiences that attract and retain members for the club.

Outings: John Keedy discussed the 2009 Adopt-A-Crag Event to be held in the North Access Area of the McDowells October 31. Outing Leaders are needed for the afternoon climbing at the Morrell Parking Lot Area. Contact John or Erik for additional information. Robert England will hold an open day of rock climbing after January 1 at a local crag. The goal will be to set up ropes and let visitors know about the AMC and the opportunities it affords its members.

Classification: Grant Loper will contact Nancy to check on the status of Dave McClintic's OL application. To date, it has not been sent to the OL's for their review, so Grant will determine if it is complete yet or not.

Newsletter: There was a discussion of the benefits and limitations of continuing hard copy dissemination of the AMC monthly newsletter. It was moved, seconded and approved to go to an electronic only newsletter for members beginning January 1, 2010. However, the approved motion as maintained a printing of newsletters for distribution to the various rock gyms and stores that have been a successful source of information sharing.

Website: Robert England discussed various items concerning website development. He will get back with the Board electronically with additional information they will need to make an informed decision.

New Business:

Housing Club Equipment: Robert England

AMC Board Minutes - 12 October 2009 (cont.)

discussed several alternatives for housing club ropes and equipment so that it can be more properly stored. He has implemented a better check out and return system so that we can track club gear better.

Email Administrator: President Loper and Robert England will coordinate on finding additional personnel for this important position. The Board will review any candidates before appointing a replacement.

2010 Calendar: President Loper and Robert England handed out a draft 2010 calendar for Board review and input.

Incentives for OL's: The idea was presented and discussed to develop a quarterly raffle for OL's who take Outings that quarter. Each OL would receive one raffle ticket for each Outing they took. A drawing at the quarterly member meeting would be used to award some gear to the OL whose ticket was drawn. President Loper will investigate further and bring a proposal back to the Board for review.

Meeting was adjourned at 9:00 p.m.

- Thursday: Anchor system characteristics and construction.
- Saturday: Set anchors in “hands-on” scenarios.
- Sunday: Set real anchors on an optional climbing day.

Nov 15	Sunday	7:00 am - 5:00 pm	Climbing area to be announced during class

*North Mountain Park is located at Peoria and 7th St, 5 miles north of Camelback on 7th St. Turn west into the park.

Experience required: AMC Basic School graduate or equivalent, which must include knowledge of how to belay, rappel, prusik, tie a figure-8-on-a-bight and figure-8-on-a-follow-through, and make a girth hitch.

Cost: \$75 plus membership if not already a member (\$30 for an individual and \$35 for a family). Membership is good through December 2010. Register by sending a check payable to AMC Anchors School to Kim McClintic, 7760 E. Gainey Ranch Rd, #25, Scottsdale, AZ, 85258. No credit cards accepted. The registration fee is fully refundable if you cancel. Contact Kim McClintic by email (canyonkim@gmail.com) for more info. The number of students will be limited to 36.

Equipment required for the class:

- 2 non-locking “D” or oval carabiners (at least 2, bring more if you have them)
 - 3 locking carabiners (at least 3, one of which should be a parabiner)
 - 1 rappel/belay device (Trango Jaws, Black Diamond ATC, Trango Pyramid, Figure-8, etc.)
 - 1 climbing harness
 - 1 ea 4’, 6’, 10’ 6mm prusiks (untied length)
 - 2 ea 5’, 10’, 20’ slings (1” tubular webbing, untied length, AKA runners)
 - 1 or 2 personal anchor slings (commercial daisy chains or 4’ sewn Spectra runners or equivalent)
 - 1 helmet—required for Saturday and Sunday sessions, helmets are available if you do not have one.
- (The slings and harness are the only additional equipment needed over the Basic School requirements)

In order to become independent and set your own anchors, you should start acquiring anchor gear. The following gear is not required for Anchors School, but if you have some, you will be able to practice setting it in class. All of the gear recommended below can be used for Lead School, and none of it will be wasted if you intend to set your own anchors. All gear should be marked prior to bringing it to class to prevent confusion between it and other people’s gear.

Other gear you may want to bring:

- Any pro you may have (hexes, nuts, camming devices, Tri-cams, etc.)
- Extra biners (regular D’s, ovals, and lockers—stay away from specialty biners at this time)
- Extra slings (perhaps four 5’, two 15’ slings, untied lengths)

AMC Programs Presents:

AMC CLIMBERS ON MT RAINIER

On the first day of summer 2009 an AMC team of seven began their climb of 14,410 ft. Mt. Rainier in Washington State. At the November meeting, the team's own members will recount their multi day journey through white-outs, high winds, late season snows, a thieving snow fox and camping on the Ingraham Glacier. After two summit attempts (both productive) six out of seven team members made the summit and all team members returned safely.

Come hear the differing perspectives on the climb from male and female climbers, alpine veterans and those new to the mountains when the 2009 Rainier Team comes to tell their climber's tale.

See you at the Monday, November 26th 7:00 p.m. meeting! Remember it is at Phoenix Country Day School 3901 E. Stanford Drive P.V. 85253 It is between Lincoln and Camelback. From Lincoln use 36 St. and go south to Stanford and then head east. From Camelback turn left on 40th St. followed by a left on Stanford. The auditorium entrance faces the parking lot.
