### **New Business**

Newsletter Discussion, David McClintic – David Sampson to follow up with Dave McClintic regarding the current status of the newsletter.

### **Technology Team**

The following changes were discussed, and will be actioned by the technology team:

Minutes and Treasurer Report to be published on website monthly

Policy and Procedures to be updated to replace “newsletter” with “current form of communication”

Publish instructions for outing leaders on how to manage/create Meetup events.

Establish ownership of the Meetup group as the AMC, with the Treasurer being the responsible party for payments.

Conflict of Interest Policy – Erik Filsinger – Discussed making sure that the club has an appropriate conflict of interest policy consistent with state law and IRS regulations. Erik will draft a simple policy to include board members, and perhaps committee chairs, based on models from other local non-profit corporations. He will bring it back to the board for review.

### **Meetup**

Member Access Only – It was discussed on whether to limit the Meetup group to AMC members only. The board decided that this was not currently in our best interest. The technology team will develop some procedures to help mitigate the possible issues we’ve seen with events filling up with non-members first.
